The Oxford Handbook of Megaproject Management Bent Flyvbjerg 2016-12-29 The Oxford Handbook of Megaproject Management provides state-of-the-art scholarship in the emerging field of megaproject management. Megaprojects are large, complex projects which typically cost billions of dollars and impact millions of people, like building a high-speed rail line, a megadam, a national health or pensions IT system, a new wide-body aircraft, or staging the Olympics. The book contains 25 chapters written especially for this volume, covering all aspects of megaproject management, from front-end planning to actual project delivery, including how to deal with stakeholders, risk, finance,

complexity, innovation, governance, ethics, project breakdowns, and scale itself. Individual chapters cover the history of the field and relevant theory, from behavioral economics to lock-in and escalation to systems integration and theories of agency and power. All geographies are covered - from the US to China, Europe to Africa, South America to Australia - as are a wide range of project types, from "hard" infrastructure to "soft" change projects. In-depth case studies illustrate salient points. The Handbook offers rigorous, research-oriented, up-to-date academic view of the discipline, based on high-quality data and strong theory. It will be an indispensable resource for students, academics, policy makers, and practitioners.

Coursemate for AQA C GCSE Geography

Lynda Evans 2005-01-13 The New Wider World Coursemate for AQA C GCSE Geography provides summaries of key content and key ideas to support AQA's 2001 Geography C specification. *EBOOK: Teaching Travel and Tourism 14+* Cliff Huggett 2010-10-16 Travel and Tourism has become an integral part of many countries' economies. As a rapidly changing, multidisciplinary subject, there are many approaches to teaching it. This book brings together the theory and practice of learning for Travel and Tourism as a vocational pathway offering the educational practitioner a pedagogical framework for the delivery of their subject. Huggett and Pownall outline the vast range of programmes and qualifications you may encounter in your teaching. They also consider the skills, knowledge and understanding learners need to develop, taking into account the life experiences and aspirations of different groups of learners, and consider how these are transferable from one sub-sector to another. The range of job roles within the Travel and Tourism industry is immense and will continue to evolve. As well as private industry, the authors consider the public and voluntary sectors and look at organizations that have been set up to support and benefit tourism, taking into account policies and initiatives that stakeholders introduce. This book supports trainee and experienced teachers in developing exciting and engaging Travel and

Tourism programmes for learners 14+ whether in schools, colleges, higher education or in-service training. About the Teaching 14+ series Written to support the unique challenges of teaching vocational subjects, the Teaching 14+ series provides the pedagogical skills required to become a successful teacher. Alongside coverage of issues and debates, the series includes interactive exercises, case studies and activities that can be used to develop a variety of teaching and learning strategies to improve the delivery of these subjects.
