Photographing Mussolini Alessandra Antola Swan 2020-12-10 This pioneering book offers the first account of the work of the photographers, both official and freelance, who contributed to the forging of Mussolini's image. It departs from the practice of using photographs purely for illustration and places them instead at the centre of the analysis. Throughout the 1930s photographs of the Italian dictator Benito Mussolini were chosen with much care by the regime. They were deployed to highlight those physical traits - the piercing eyes, protruding jaw, shaved head - that were meant to evoke the Duce's strength, determination and innate sense of leadership in the mind of his contemporaries. The chapters in this volume explore the photographic image in the socio-political context of the time and shows how it was a significant contributor to the development of Italian mass culture between the two world wars.

Made of Steel Ivy Smoak 2017-03-13 Summer fell in love with the boy next door when she was six-years-old. The only thing she knew for sure was that she was going to marry him. Just as soon as she could convince him that she didn't have cooties. But tragedy tore her away from him before they ever got a chance at their happily ever after. And the worst part? He forgot all about her. Ten years after Summer lost everything, she's given a fresh start in the witness protection program. The only rule: don't speak to anyone from her past. A rule that's hard to follow when she finds out that the boy next door is living right down the hall. Unlike him, she never forgot. But she knows that the future she once dreamed of is no longer an option. And if she reveals her identity, she could get them both killed. Miles fell in love with the girl next door when he was eight-years-old. When she disappeared in the foster care system, it felt like a piece of him was missing. So when she shows up in his life again with a different color hair and a new name? It doesn't fool him. And this time he'll do whatever it takes to keep her.

Celinda Valeria Miani Negri 2010 Valeria Miani's Celinda (1611), the only female-authored secular tragedy of early modern Italy, is here made available for the first time in a modern edition. Miani's tale of the doomed love of the Lydian princess Celinda for the cross-dressed Persian prince Autilio/ Lucinia offers a striking example of the explorative attitude to gender identity that is such a marked characteristic of Italian drama in this period, both within the erudite and the commedia dell'arte tradition. Accompanied by Julia Kisacky's sensitive translation, and with a valuable contextualizing introduction by Valeria Finucci, this edition of Celinda makes an important contribution to our understanding of women's place within Italian literary culture in a period increasingly recognized as exceptional for the range and quality of female-authored writing it produced. --Virginia Cox Professor of Italian, New York University

Bodies of Desire and Bodies in Distress Xavier Mendik 2015-09-18 In recent years, there has been an explosion of critical interest in the icons, genres and traditions of 1970s Italian cult film. Thanks to the international success of directors such as Dario Argento and Sergio Martino, and the influential giallo (thriller) cycle in which they worked, these unconventional and often controversial films are now impacting on new generations of filmmakers, scholars and moviegoers alike. Bodies of Desire and Bodies in Distress: The Golden Age of Italian Cult Cinema 1970-1985 considers the current interest in specific Italian directors and cult genres, exploring the social, political and cultural factors that spawned a decade of cinema dominated by extreme, yet stylish, images of sexuality and violence. Bodies of Desire and Bodies in Distress situates the explosion of 1970s Italian cult 'excess' against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period. The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives. In addition, the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985. Bodies of Desire and Bodies in Distress profiles leading 1970s Italian directors and performers including Aristide Massaccesi (Joe D'Amato), Laura Gemser, and Dario Argento (who also provides an interview discussing his work and 1970s Italian society). The volume also provides case-studies of the giallo cycle, rape and revenge dramas, the Italian rogue cop series, post-apocalypse films, barbarian movies, and sex comedy formats. By considering the icons and genres from the

golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation, this book will be of interest to film scholars and cult movie fans alike.

Conviction Lesley Jones 2015-02-28 She was mine. Our love, unquestioned. Our futures planned. But she didn't show. All that we had, all that we meant, and after all that was said, she just didn't show. That one act changed everything, but it especially changed me and from that moment on, there was no going back. No words of love, no whispered promises, just sex and drugs and rock and roll. No one gets a piece of Reed, but what they will get is the night of their life, the chance to let go, break their own rules and enjoy the best, the dirtiest, filthiest sex ever... along with the other four people in my bed. I thought he loved me, I believed everything he said, every promise that he made but then, when I needed him more than I'd needed anyone in my life, and when I was at my most vulnerable, he let me down. He chose to take a different path and leave me to pick up the pieces of my now broken life. I was changed forever and chose the easy option letting others take charge of my destiny, until, once again, I'm let down in the cruellest of ways. Dirty filthy sex. Love. Heartbreak. Betrayal. High emotion and angst. Everything and more that you would expect from a Lesley Jones novel.

The Body Where I was Born Guadalupe Nettel 2015-06-16 The first novel to appear in English by one of the most talked-about and critically acclaimed writers of new Mexican fiction. From a psychoanalyst's couch, the narrator looks back on her bizarre childhood—in which she was born with an abnormality in her eye into a family intent on fixing it. In a world without the time and space for innocence, the narrator intimately recalls her younger self—a fierce and discerning girl open to life's pleasures and keen to its ruthless cycle of tragedy. With raw language and a brilliant sense of humor, both delicate and unafraid, Nettel strings together hard-won, unwieldy memories—taking us from Mexico City to Aix-en-Provence, France, then back home again—to create a portrait of the artist as a young girl. In these pages, Nettel's art of storytelling transforms experience into inspiration and a new startling perception of reality. "Nettel's eye...gives rise to a tension, subtle but persistent, that immerses us in an uncomfortable reality, disquieting, even disturbing—a gaze that illuminates her prose like an alien sun shining down on our world." —Valeria Luiselli, author of Sidewalks and Faces in the Crowd "It has been a long time since I've found in the literature of my generation a world as personal and untransferable as that of Guadalupe Nettel." —Juan Gabriel Vásquez, author of The Sound of Things Falling "Nettel reveals the subliminal beauty within beings...and painstakingly examines the intimacies of her soul." —Magazine Littéraire "Guadalupe Nettel's storytelling power is majestic."—Typographical Era In Praise of Natural Histories "Five flawless stories..." —The New York Times "Nettel's stories are as atmospheric and emotionally battering as Checkhov's."—Asymptote

Books and Culture Hamilton Wright Mabie 1896 If the writer who ventures to say something more about books and their uses is wise, he will not begin with an apology; for he will know that, despite all that has been said and written on this engrossing theme, the interest of books is inexhaustible, and that there is always a new constituency to read them. So rich is the vitality of the great books of the world that men are never done with them; not only does each new generation read them, but it is compelled to form some judgment of them. In this way Homer, Dante, Shakespeare, Goethe, and their fellow-artists, are always coming into the open court of public opinion, and the estimate in which they are held is valuable chiefly as affording material for a judgment of the generation which forms it. An age which understands and honours creative artists must have a certain breadth of view and energy of spirit; an age which fails to recognise their significance fails to recognise the range and splendour of life, and has, therefore, a certain inferiority. **Marley** Lesley Jones 2015-10-29 MARLEY A CARNAGE NOVEL From the author of Carnage 1&2, comes this follow up novel. Marley tells the story of Carnage from Marley Layton's POV. It will give you the missing years. Marley is a companion novel to Carnage 1&2 and both of those books should be read first. 'So, they want me to write a book? They want to know about my band, my life, my loves and my losses. But they have no idea what they're asking for. If I give them what they want, they'll get so much more than the sex and drugs and the rock and roll they're expecting. They'll get the secrets that I've kept for so long, they'll get an insight into the person I really am, or at least was. They think they know my story, they know nothing. If I do this, if I write honestly and give them the ugly truth, people will get hurt. People that I love, people that have already suffered in the worst possible ways. Do I do this, or do I walk away? Taking my secrets to the grave.' Marley is an adult contemporary romance. It contains content suitable only for grownups with an open mind. There are scenes of group sex which include m/f/m a little bit of f/m/m and even some f/f/f/m/m/f/f/f. There is drinking and drug taking involved. A lot of swearing, some Essex slang and some very high emotion. Please don't complain after reading this book that you wasn't warned. And yes, of course you'll need tissues.

Italian Gothic Horror Films, 1980-1989 Roberto Curti 2019-02-21 The Italian Gothic horror genre underwent many changes in the 1980s, with masters such as Mario Bava and Riccardo Freda dying or retiring and young filmmakers such as Lamberto Bava (Macabro, Demons) and Michele Soavi (The Church) surfacing. Horror films proved commercially successful in the first half of the decade thanks to Dario Argento (both as director and producer) and Lucio Fulci, but the rise of made-for-TV products has resulted in the gradual disappearance of genre products from the big screen. This book examines all the Italian Gothic films of the 1980s. It includes previously unpublished trivia and production data taken from official archive papers, original scripts and interviews with filmmakers, actors and scriptwriters. The entries include a complete cast and crew list, plot summary, production history and analysis. Two appendices list direct-to-video releases and made-for-TV films.

Futurist Women Paola Sica 2016-01-26 Futurist Women broadens current debates on Futurism and literary studies by demonstrating the expanding global impact of women Futurist artists and writers in the period succeeding the First World War. This study initially focuses on the local: the making of the self in the work by the women who were affiliated with the journal L'Italia futurista during World War I in Florence. But then it broadens its field of inquiry to the global. It compares the achievements of these women with those of key precursors and followers. It also conceives these women's work as an ongoing dialogue with contemporary political and scientific trends in Europe and North America, especially first wave feminism, eugenics, naturism and esotericism. Finally, it examines the vital importance and repercussions of these

women's ideas in current debates on gender and the posthuman condition. This ground-breaking study will prove invaluable for all scholars and upper-level students of modern European literature, Futurism, and gender studies.

Italian Gothic Horror Films, 1957-1969 Roberto Curti 2015-05-08 The “Gothic” style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar, often strikingly original approach to the horror genre. These films portrayed Gothic staples in a stylish and idiosyncratic way, and took a daring approach to the supernatural and to eroticism, with the presence of menacing yet seductive female witches, vampires and ghosts. Thanks to such filmmakers as Mario Bava (Black Sunday), Riccardo Freda (The Horrible Dr. Hichcock), and Antonio Margheriti (Castle of Blood), as well the iconic presence of actress Barbara Steele, Italian Gothic horror went overseas and reached cult status. The book examines the Italian Gothic horror of the period, with an abundance of previously unpublished production information drawn from official papers and original scripts. Entries include a complete cast and crew list, home video releases, plot summary and the author's analysis. Excerpts from interviews with filmmakers, scriptwriters and actors are included. The foreword is by film director and scriptwriter Ernesto Gastaldi.

All The Forbidden Things Lesley Jones 2019-09-06 When all that you want, is all that's forbidden... I've known him my entire life. Before marriage. Before fatherhood. Before betrayal. Now, he's one of rock's bad-boys trying to be good. Trying to be the best father he can for his daughter. He's my brother's best friend. He's my boss. He has a wife. Max isn't mine to have, but I want him all the same. And I haven't survived all that I have to not go after what I want. Her story is a tragedy, mine's a publicity disaster. Just when I needed her most, she walked back into my life, and the timing couldn't be worse. With a newborn baby, a divorce, an album to record, and a world tour to plan, I don't need the distraction. She's off limits. She's my best friend's little sister. She's my nanny. Billie's a golden drop of sexy sun on a grey autumn day, tempting me into the light and a life full of possibilities. A life not meant for us.

Italy and the Military Mattia Roveri 2020-12-22 This book sheds new light on the role of the military in Italian society and culture during war and peacetime by bringing together a whole host of contributors across the interdisciplinary spectrum of Italian Studies. Divided into five thematic units, this volume examines the continuous and multifaceted impact of the military on modern and contemporary Italy. The Italian context offers a particularly fertile ground for studying the cultural impact of the military because the institution was used not only for defensive/offensive purposes, but also to unify the country and to spread ideas of socio-cultural and technological development across its diverse population.
