**San Francisco's Queen of Vice** Lisa Riggin 2017-10 San Francisco’s Queen of Vice uncovers the story of one of the most skilled, high-priced, and corrupt abortion entrepreneurs in America. Even as Prohibition was the driving force behind organized crime, abortions became the third-largest illegal enterprise as state and federal statutes combined with changing social mores to drive abortionists into hiding. Inez Brown Burns, a notorious socialite and abortionist in San Francisco, made a fortune providing her services to desperate women throughout California. Beginning in the 1920s, Burns oversaw some 150,000 abortions until her trial and conviction brought her downfall. In San Francisco’s Queen of Vice, Lisa Riggin tells the story of the rise and fall of San Francisco’s “abortion queen” and explores the rivalry between Burns and the city’s newly elected district attorney, Edmund G. “Pat” Brown (father of the present governor of California). Pledging to clean up the graft-ridden city, Brown exposed the hidden yet not-so-secret life of backroom deals, political payoffs, and corrupt city cops. Through the arrest, prosecution, and conviction of Burns, Brown used his success as a stepping-stone for his political rise to California’s governor’s mansion. Featuring an array of larger-than-life characters, Riggin shows how Cold War domestic ideology and the national quest to return to a more traditional America quickly developed into a battle against internal decay. Based on a combination of newspaper accounts, court records, and personal interviews, San Francisco’s Queen of Vice reveals how the drama played out in the life and trial of one of the wealthiest women in California history.

*Tok: Magick Tale* Pablo Reig Mendoza 2021-01-05 London, England, 1888 AD. Cabalists, magicians and occultists of every species, scattered through all strata of society, are in frenzied activity. The numbers MDCCCLXXXVIII add up for the first time to 13 characters, and it is a year of opportunity for the servants of the Bond in the age-old secret war between the adherents of the old religion and the Vatican Curia. From the lavish halls of Buckingham Palace, the elderly Empress Victoria and her young Hindu lover - the Munshi - weave together the threads of a secret plan that will return magic to its rightful place: the public eye. While Scotland Yard is racking its brains over the crimes of the Whitechapel Ripper, nascent socialism is at the centre of the events of "Bloody Sunday" and a young Gandhi is initiated into the ancient arcana with Mabel and Gerard. Gerard Duprey will soon become the town's magician and is a key player in the plot that the occult powers have cooked up for the empire. Gerard, like Gandhi, is a peacemaker. His gift is to master any kind of conflict. He has the invaluable help of Mabel Besant and Tok, the dragon of justice. Tok is not at all mythological, but very pneumatic - in the greekest sense of the word. This dragon of scale and bone is the omnipresent guardian of the Bond and is driven by inaccessible designs. The magnetic creature will accompany Gerard, through a more than convulsive twentieth century, so that the designs of the Munshi's plan are scrupulously fulfilled and to discover what has happened to gold since all the gold in the world has disappeared. Pneuma: spirit, breath, wind.

Writing by women as diverse as Sylvia Pankhurst, Virginia Woolf and Vesta Tilley are blended with extracts from the private diaries and letters of unknown women, to provide a sometimes tragic, sometimes comic testimony. From patriotic rhetoric to the gritty realism of the Front Line, this anthology juxtaposes fact and fiction and aims to present a rounded picture of World War I as it was lived and fought by women across Britain.
