The 35 impassioned stories included in this collection - of fortune tellers, tribal baboon hunters, a friendly Japanese family, and other notable characters - span a worldwide spectrum of themes, styles and settings, but all show how travel in its unexpected turns tests and teaches us, making us aware that we are resilient, that we are not alone, and that there is so much love and connection to be had if we open ourselves up. This collection affirms that if we follow the compass of the heart, we will always find our way. Whether you read the book on the road or in an armchair at home, these tales are sure to entertain, amuse and inform you, and resonate long after the book is finished.
